Purity:≥99%

Appearance: Pale to deep amber viscous liquid

Key Applications

Premier fixative for prestige fragrances, especially in oriental, woody, and chypre families.

Anchors volatile top and middle notes to create a cohesive progression and enduring dry-down.

Suitable for signature scent development and brand storytelling in luxury markets.

Product Advantage

Exceptional molecular stability and very slow volatility, prolonging fragrance presence on the skin.

Strong anchoring effect that preserves overall structure and enriches long-lasting sillage.

Cedarwood-enhanced profile reinforces woody-resinous character, adding depth and a sophisticated dry-down.
